A MESSAGE FROM THE TRUSTEES

DEAR FRIENDS,

The Hispanic Business Council Scholarship Foundation of NJ, Inc. (HBCSF) Board of Trustees and Advisory Council thank you for your interest. We have compiled this presentation to provide you with information regarding our mission, our history of awarding scholarships and stipends, and the responsibilities and rewards of serving on the HBCSF Board of Trustees and Advisory Council. We hope this background along with the students' testimonials will inspire you to join our network of individuals and organizations that share your commitment and passion to help college-level Latino students in New Jersey pursue their academic aspirations and professional goals.

Many opportunities are available to get involved with HBCSF. Consider joining as a trustee, a member of the Advisory Council, a corporate sponsor, or a volunteer on one of our committees. Act as a mentor to a scholarship (scholar) or a stipend recipient by making available career-enhancing experiences, such as first hand exposure of your career, responsibilities and experiences at your place of employment. Assist scholars with fulfilling their HBCSF 80 hours of community service required to receive their awards by providing them with enriching opportunities in your area.

We are extremely proud of our track record of sustainability as a not-for-profit organization serving the Latino community. Over the past 21 years, the HBCSF has raised funds to support Latino students' dreams to obtain a post-secondary degree. Since 1993, the organization has awarded over a quarter million dollars in scholarships and stipends. Thank you again for your interest and we look forward hearing from you soon.

SCHOLARSHIPS AND STIPENDS

During the first two years of operation from 1991-1992, the organization focused on raising funds through special events and other activities to provide scholarships. Beginning in 1993, when the first scholarships were awarded, through 2012, the HBCSF has granted \$365,000 to 139 students. Each year, we award multiple scholarships and stipends up to \$4,000 and \$1,000 each, respectively.

Scholarships are paid directly to the college over two semesters on behalf of the recipients once HBCSF has received confirmation that the students are registered and they maintain a 3.0 GPA during the year. In addition, HBCSF requires that the scholarship recipients complete 80 hours of community service.

The 2013 application is available and may be downloaded at www.hbcfsf.org. The deadline is February 28, 2013.
